Sir:

In response to the Non-Final Office Action dated March 14, 2002, please amend the above-identified application as follows:

Below are Applicants' amendments in clean form, without markings to indicate the changes that have been made.

IN THE SPECIFICATION:

On page 9, please delete the fourth full paragraph and replace it with following new paragraph:

a' The signal wires 51 in the multi-wire cable 52 are arranged substantially in a row. In this connection, it is to be noted that in cases where the signal wires 51 are arranged in such a manner that one of them is positioned at the center and surrounded by the remaining ones, as shown in Fig. 8, the sealing material 53 is not able to reach the central signal wire and fill its surrounding
